IN THE FIGURES

Please delete Fig. 5.

REMARKS

Applicants have noticed that Fig. 5 was inadvertently submitted with nonprovisional patent application Serial No. 08/889,787 which was filed on July 08, 1997, and which is the parent application of the present continuation-in-part application. Serial No. 08/889,787 claimed the benefit of nonprovisional application Serial No. 60/016,093 filed on July 08, 1996 which contained both Fig. 5 and reference thereto in the Specification. Since there is no reference to Fig. 5 in either Serial No. 08/889,787 or the present continuation-in-part application, applicants are deleting this Figure.

No new matter has been added by this change, and applicants respectfully request the this amendment be entered into the subject patent application.

Respectfully submitted,

A handwritten signature in cursive script, appearing to read "Samuel M. Freund".
